

CARDIFF HENDRE LAKES

Environmental Statement Volume 4: Appendices

August 2020

A1	Scoping opinion/consultation
A2	Outline CEMP
A3	Soil Management Strategy
A4	Statements of competency
A5	Schedule of mitigation
B1	Traffic Assessment
C1	Drainage strategy
C2	WFD compliance assessment
D1	Geotechnical desk study
D2	Ground gas monitoring strategy note
D3	2019 Ground investigation factual report
D4	Ground investigation report
D5	Detailed UXO risk assessment report
E1	2017 Extended Phase 1 Habitat Survey Report
E2	2019 Extended Phase 1 Habitat Update Survey Report
E3	2017 Schedule 9 Plant Survey Report
E4	2018 Vegetation Surveys Report
E5	2019 Vegetation Surveys Report
E6	2018 Arboricultural Survey Report
E7	2017-2018 Bat Survey Report
E8	2019 Bat Survey Report
E9	2017 Dormouse Survey Report
E10	2018 Dormouse Survey Report
E11	2019 Dormouse Survey Report
E12	2017 Riparian Mammal Survey Report
E13	2019 Riparian Mammal Survey Report
E14	2017 Amphibian and Reptile Survey Report
E15	2019 Great Crested Newt Survey Report
E16	2017 Badger Survey Report
E17	2017 Breeding Bird Survey Report

E18	2017-2018 Wintering Bird Survey Report
E19	2019 Terrestrial Invertebrate Survey Report
E20	2019 Invertebrate (Aquatic and Terrestrial) Survey Report
E21	Habitat Regulations Assessment
F1	Review of key national, regional and local air quality legislation, policy and guidance
F2	Air quality assessment methodology and baseline
F3	Air quality assessment results and verification
F4	Air quality mitigation
G1	Noise survey data
H1	ASIDOHL2
H2	Land at St Mellons, Cardiff, Archaeological Desk Base Assessment GGAT Report 18/030
I1	Study area and datasets
J1	Health and community profile
J2	Health evidence review
K1	LVIA methodology
L1	Greenhouse gas assessment
L2	Greenhouse gas assessment (alternative design)
L3	Climate change resilience assessment
L4	In-combination climate change impact assessment
